

Reliable Power.
Consistent Performance.
For a Smarter Tomorrow.

ELECTRICAL SERIES

High Performance Aluminium
Solutions for Electrical Applications

Durable & Reliable
Built for long service life

High Precision
Excellent strength
and stability

Thermal Management
Better heat dissipation

Lightweight Design
Easy to handle & install

Corrosion Resistant
Ideal for harsh environments

Our Electrical Products

Motor Body

High strength aluminium
motor housing

Electrical Enclosure

Robust protection
for electrical components

Heat Sink

Efficient thermal
management

Aluminium Channel

Strong support for
electrical assemblies

Powering Your Industry

Stronger Components | Safer Systems | Greater Efficiency

Electrical
Systems

Industrial
Applications

Commercial
Buildings

A Greener
Tomorrow
