

Efficient Cooling.
Better Air Quality.
Lasting Value.

HVAC — SERIES —

Premium Aluminium Solutions
for HVAC Applications

VAPORIZER

High-Efficiency Heat Exchange
for HVAC Systems

Lightweight
Aluminium Construction

Designed for
maximum heat transfer
and long service life.

**High Thermal
Performance**

Efficient heat
exchange for
better results

Lightweight

Reduces load,
increases
efficiency

Corrosion Resistant

Withstands harsh
HVAC environments

Durable

Long-lasting
and reliable
performance

Customised Solutions

For diverse HVAC
applications

Engineered for
Better HVAC Performance
